

LL.M. 3rd Semester Examination, 2018

ENVIRONMENTAL GOVERNANCE

Paper : 304E (Gr.-B)

Course ID : 32754

Time: 3 Hours

Full Marks: 80

The figures in the margin indicate full marks.

*Candidates are required to give their answers in their own words
as far as practicable.*

Answer any four questions.

All the questions are of equal marks.

20×4=80

1. Critically discuss about the contribution and significance of various International Summits to curb climate change and to regulate the emission of carbon. 20
 2. The importance and growth of sustainable development and the evolution of various principles of environmental liability are in reality supplementary and complementary to each other.
Express your opinion on the above statement with justification. 20
 3. What is Epistolary Jurisdiction? Do you consider PIL as a potent weapon to combat with the environmental pollution? Discuss it in the light of some landmark judicial pronouncements. 20
 4. What do you mean by 'Environmental Governance'? Critically review the constitutional obligation of the Government of India in protecting its environmental system. 20
 5. Elucidate the legal mechanism related to ongoing Water Management in India. 20
 6. Critically examine the role of Pollution Control Boards as well as Green Tribunal in ensuring an enabling environment. 20
